THE CANDIDATES SPEAK.

THE VOIERS AT CHESTERFIELD COURTHOUSE IMPORTUNED.

Mr. E. B. Howle, of Manchester, Announce Himsel fan Independent Republican Candidate-lecest Fires.

Manchester Bureau Richmond Times No. 1112 Hull Street, Beattie Block, Yesterday was Chesterfield court day, and it being the last court day before the election, politics was, of course, the absorbing topic, Messrs. Harry B. Owen and Robert G. Wood, the Democratic nominees, were present, and addressed the people. Afterwards there was a joint the people. Afterwards there was a joint discussion, in which the cause of Democracy was ably upheld by Congressman John Lamb and Hon. Isaac Diggs, of King William, while ex-Judge James M. Gregory and Mr. Haskins Hobson earnestly talked in behalf of the candidacy for the House of Delegates. The discussion was attentively listened to and lasted for soveral hours. It was Hon. Isaac Diggs lirst appearance before a Chesterfield audience, and special interest was manifested in his remarks. Mr. Diggs seemed to capture the crowd and he was frequently interrupted with applause. His review of the political record of Judge Gregory, with whom Mr. Diggs served in the House of Delegates, created considerable merriment at the expense of the Judge.

Yesterday was really the opening day of the Democratic campaign in Chesterfield, and from now on till the day of the election, the Democratic campaign in Chesterfield, and from now on till the day of the election, the Democratic vill in the vernacular of the times, "keep the pot boiling." The following appointments were arranged yesterday for Congressman Lamb, and Messrs. Owen and Wood:

Ettrick, Friday night, October 15th; Beach, Saturday 15th at 3 o'clock in the afternoon.

AN INDEPENDENT CANDIDATE.

Mr. E. B. Howle, of this vity, on yesterday announced himself as an independent Republican candidate for the next House of Representatives. On yesterday he mailed to the court clerke of Manchester and the countles of Chesterfield and Powintan letters notifying them of that fact.

Mr. Howle says he is doing this at the solicitation of the Republican voters of

that fact.

Mr. Howle says he is doing this at the solicitation of the Republican voters of this district, and not at the request of the solicitation of the Republican voters of this district, and not at the request of the party bosses. On Saturday last a number of his party waited on him, after the convention, and requested him to announce himself as a candidate, but he would not then give them an answer, but asked them to wait until he attended the meeting at Chesterfield Court House on yesterday.

Mr. Howle says he does not think he was treated fairly at the convention of last Saturday, and this is the reason he has taken this step.

He says he is in the fight to the finish, and will give this district a thorough canvass. If he is elected he is opposed to Senator Daniel for re-election, and if no Republican is nominated, he will cast his vote for any other Democrat to defeat Major Daniel.

At the convention held last Saturday, Mr. Howle says the chairman did not see fit to recognize the speaker who nominated him and he thinks he was treated badily by the leaders in that meeting.

The independent candidate is well known in this city, where he has lived all his life. He is a veteran of the late war, having served in the navy. At the present time he is the soliciting agent for the Chesterfield Chronicle and the Manchester distributing agent for the Richmond State.

Mr. Howle is of the Lamb faction of the Republican party and is dead against the

considerable Chronicle and the Manchester distributing agent for the Richmond State.

Mr. Howle is of the Lamb faction of the Republican party and is dead against the Republican party and the fames full play. Since last Friday fires have been raging over at least one thousand acres between Manchester and Chesterfield Court House. On account of the continued dry spell a great number of wells in the county have dried up.

Maggie Branch, a negro woman, was arrested yesterilay afternoon by Officer Wright, but was balled for her appearance this morning.

Henry Davis, a ginger bread darkey, went to see Maggie yesterday at her home on Seventh and Hull streets. While there they had an altercation which led to a fight. Henry choked the woman and she retalliated by hitting him on the head with a frying pan. He got out a warrant against his antagonist, but she will have one issued against him at the trial this morning.

ROLLING MILL STARTS UP.

The horse-shoe rolling mill at Belle Isle started to work yesterday, morning. This portion of the Old Dominion plant has been idle since last May. The horse-shoe factory will start up about Wednesday, as it is thought that enough from will be rolled for them by the rolling mill by that day.

day.

The horse-shoe mill and the factory gives employment to about 100 hands. It is thought that the puddling mill will start up in a few days.

The low water in the river is still giving a great deal of trouble to all the mills on the water line.

Mayor Maurice got through with his work in a very short time.

Mr. Parks Howle is the owner of a pair of hounds, and his name did not show on the Auditor's books where he had procured medals for the same. He was summoned to make his appearance before the Mayor and show cause why he should not be fined. When the case was called he produced two medals that had been secured since the summons was issued, and he was dismissed and allowed to go on his way and keep his dogs.

The Water Commissioners will meet to-night at 8 o'clock in the office of the superintendent of City Water Works. It is their regular monthly session.

A number of the local Republicans are not satisfied with the way the Convention panned out Saturday. They are pleased to have Mr. Joremiah W. Nunnally as one of their standard bearers, but did not want a Populist on the tleket, and therefore say they will not yote for Mr.

A number of the delegates from Manchester and the county of Chestrield waited on Mr. E. B. Howle Saturday night, after the convention had adjourned, and asked him to announce himself as an independent Republican candidate for the House of Delegates.

Mr. Howle hus not decided yet what he shall do, but he will let his people know in a few days.
